

**CENTRAL MISSOURI
POLLED HEREFORD
BREEDERS ASSOCIATION**

January 1, 2023

Dear Fellow Members and Consignors,

The deadline for the April 8, 2023 Spring Sale will be **February 15, 2023**
Send your consignment information, \$50 entry fee and photos to us at cmphba@gmail.com or
address at bottom of page.

If you send actual registration papers, Please make sure the breeding information section if
applicable is completed and signed.

We will take as in past via email the registration number and foot note info with \$\$ to follow by
snail mail.

Upon check-in at sale.

- 1) We will need actual registration paperwork. All transfers will be handled by sale manager.
- 2) BSE & Veterinarian Signed Health Papers. I know we have discussed this topic many times
over the past but majority of customers request them at settlement.
- 3) Any additional updates to catalog information.
- 4) Preferred order in sale.

The association just experienced a most interesting sale in recent history. With the drought
causing shortages in both water and forages it obviously limited our buyers pool. With that
being said, let's make sure to keep the quality, presentation and advertising of consignments
improving as you have been doing.

We are being noticed!!

Larry & Pam
